Uplifting, positive reinforcing quotes

***"Fairy tales do not tell children the dragons exist. Children already know that dragons exist. Fairy tales tell children the dragons can be killed."*** — G.K. Chesterton

*"I like this quote because it shows that even the simplest of stories can teach people some of the best lessons. The poem below I found while purusing tumblah dot commm and I thought it was very powerful. It talks about how the public school system is run by predominantly white people who don't incorporate a lot of relevant history to every culture. It also discusses some unique cases of racism that are originated from media."* – Connections participant 2013

**"We are a culture , not a costume"** – Ohio Poster campaign 2013
